Technical Support Internship

Amifarma Company [08/12/2017 – 13/01/2018]

Address: Sudan , Khartoum, 11111 khartoum (Sudan)

I Have Successfully Complete a Technical Support Internship At Amifarma Company It's a Company That Provide Tablets And Medicines Its Located In Sudan , Bahry My Job Was To Support The Employees In Technical Stuff any thing Related To Computer They Have And Erp (Enterprise Resource Planning) System That Mange The Whole Company So From Time To They Might Be An Update On The System For Example New Page Have Been Created . At This Point The Employees Might Have A Problem With It My Job Was To Show Them And Teach Them . The ERP System was Developed By An Indian Tech Company So We Where Communicating With Them To Tell us the new updates about the software . the internship was for a month 10/12/2017 to 15/1/2018 But It Was Fun And I Learn A lot From it

HOBBIES AND INTERESTS

Basketball

Basketball was always a huge part of my life i start playing basketball since i was 10 years old at primary school it was my big brother who inspired me to play this sport and i was playing it everyday at school court and also outside near our house but i didn't continue playing it in next because when i enter high school their was a lot of studying and exams so until now 20 years later when i have a free time i go to the court and practice on my game , so i stay committed to this sport because its something that i been do-wig for a long time

Information Technology and Programming skills

I study Business computing and information system for 4 years they give us a lot of materials at college but most of my interest was in the programming area i was participate in a lot of programming project in College such as creating Desktop applications using C# and also some other Web Projects most of my skills that i have gain in my college years are a lot and i always trying to develop myself throw time by working on projects and Applying for Internships
